Cordeb'Art - le Fanzine des 19 ans

EDITO

«J'aimerais bien savoir dessiner mais malheureusement je n'ai pas le don...»

J'entends régulièrement cette phrase et il m'est souvent difficile de ne pas y répondre. Je ne connais personne qui soit né en sachant dessiner. La plupart des artistes professionnels que je connais ont travaillé des milliers d'heures, observé les grands maîtres, ont fait des sacrifices afin de parfaire leur technique ou ont poursuivi une idée quitte à en perdre le sommeil. En les regardant faire un dessin merveilleux en quelques secondes il est compréhensible de penser qu'ils sont nés avec cette capacité incroyable mais il n'en est rien.

Le don réside dans cette envie de passer du temps à dessiner, et si vous l'avez, il n'est jamais trop tard pour vous y mettre.
